

# Grassroots Club Night Challenges

**Why not include a Grassroots Challenge Night into your club programme for 2017/18?**

Book one of our themed nights and you will discover more about local wildlife species, why they're in trouble, and what simple actions you can take to help – they're also lots of fun!

Sessions include hands-on activities which last for an hour and a half and, where possible, may feature a live animal. There may also be the opportunity to get outside or visit a local site.

To book contact:

**Shona Campbell**

(Antrim, Londonderry/ Derry, Ards and North Down)

## Birds

**Do you know the rarest bird in NI?**

You'll be chuffed to find out! We tailor this session to birds in your area.

**Practical activity:**

build bird boxes or bird feeders.

## Bees

Bees contribute over £200 million to UK agriculture, but numbers are in decline.

**Practical activity:**

build a bee hotel or plant wildflowers.

## Hedgehogs

**Hedgehogs are in trouble** - they have declined by 30% in the last 10 years.

**Practical activity:**

create a hedgehog home or tunnel.

## Bats

**Can you name the eight species of bats in NI?**

You will be able to after this session!

**Practical activity:**

become a bat detective or make bat boxes.

## Squirrels

**Our iconic reds have an uncertain future.** What can be done to help?

**Practical activity:** make red squirrel feeders or take part in a squirrel survey in your area.

## Minibeasts

From caterpillars to woodlice, what do you know about our local minibeasts?

**Practical activity:** create your own bug chalet, micro pond or mini-beast hotel.
