

## TAKE ACTION NOW

If you are considering Ulster Wildlife in your will, leaving just 1% to the Fund for the Future ensures that your loved ones receive 99% for their future.

It can be a difficult subject but we are here to talk to you about the difference you can make. Call Vickie Chambers on **028 9046 3108** or visit [ulsterwildlife.org/help-wildlife/leave-gift-your-will](http://ulsterwildlife.org/help-wildlife/leave-gift-your-will) to find out more.

"Anyone who cares about wildlife has a marvellous opportunity to do something quite unique, by remembering their local Wildlife Trust in their will.

This generous act is one of the most important things you can do to make sure the species and habitats we love will be there for future generations to enjoy."

- Sir David Attenborough

## OUR PROMISE TO YOU

- We absolutely recognise your loved ones come first in your will.
- We will never ask you the size or type of gift if you decide to support our work this way.
- You never have to tell us your intentions – we respect your right to privacy.
- We fully understand that circumstances change and there might be a time when you need to take us out of your will.
- We promise to use your gift wisely, in line with your wishes.

## FUND FOR THE FUTURE

With your help we promise to create  
a wilder future, for all of us

LEAVING A GIFT FOR WILDLIFE IN YOUR WILL.

## WHY LEAVE A GIFT IN YOUR WILL?

Northern Ireland is beautiful and we are blessed with so many wonderful landscapes but our precious wildlife is in trouble.

From rivers and woodlands, to birds and flowers, our natural world is struggling. Most original habitats have gone, and natural ecosystems are fragmented. One in five of our species face extinction in Northern Ireland.

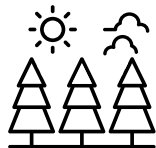

We need wildlife. Our natural world is valuable in its own right and is the foundation of our wellbeing - we depend on it and it depends on us. Ulster Wildlife is working for nature's recovery and we promise to continue this work, but we need your help to do it.

We must invest time, effort and money into bringing nature back from the brink.

Leave a gift in your will and it will be placed in our **Fund for the Future**: a designated fund dedicated to delivering outcomes in four key areas of wildlife conservation here in Northern Ireland.

**682**

hectares of  
Nature Reserves  
managed

**Over 10,500**

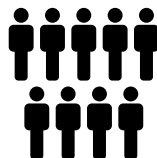

annual engagements with  
young people in nature  
education sessions

**108 sites surveyed**  
for barn owls

**102 priority species**  
cared for on our nature  
reserves

**204 woodlands**  
surveyed for squirrels

**Over 80**

people took part  
in nature focussed  
training events

## NATURE RESERVES

We have so few wild places left and our 18 Nature Reserves are havens for wildlife, but we need to create more.

Making a donation to our Fund for the Future will allow us to continue managing nature reserves and be responsive when an opportunity to purchase land arises.

## SPECIES PROTECTION

Barn owls, red squirrels, scarce crimson and gold moths, marsh helleborine orchids and kittiwakes are all under threat and in need of immediate protection. Making a gift in your will could help protect these precious species before it is too late.

## EDUCATION

Spark their enthusiasm, get them outdoors; if they love wildlife, they will protect it. A gift in your will could help fund nature focussed education programmes across Northern Ireland.

## WILDLIFE CHAMPIONS

We need dedicated environmental enthusiasts, people who have the competency and passion to protect and preserve our wildlife and wild places. Investing in our Fund for the Future is investing in our conservation teams across Northern Ireland.
